Subject: Re: 1459 Vallejo Street - dogs

Hello - I am emailing again in regards to this issue. It has been over a month and the situation remains. Here is video from today to show the condition the dogs live in. I've been told by neighbors they never leave the building.

Thank you for the information. Please update us if anything changes or if you are able to figure out which specific unit this is.

Thank you,
Officer Pone #13
